Invitation to European Angus Forum 2010 and 40th Anniversary of The Danish Aberdeen-Angus Association

This year Denmark hosts the European Angus Forum. It coincides with the celebration of the 40th Anniversary of The Danish Aberdeen-Angus Association.

Therefore it is with great pleasure, that the Danish Aberdeen-Angus Association would like to invite international partners to take part in both the European Angus Forum and the celebration of our 40th Anniversary. Starting September 2nd 2010 we offer a program consisting of six farm visits, four excursions and a celebration of the 40th Anniversary at a banquet on the evening of September 4th 2010 at Hanstholm Hotel in Northern Jutland.

On September 3rd we chair a meeting for the European Angus Forum 2010. At this meeting we wish to present information on Danish breeding to our international guests, and there will be an opportunity to hear news from the other participating countries as well. We will also have a unique opportunity to discuss the current challenges for the angus associations in Europe and worldwide.

The Danish Aberdeen-Angus Association offers a full, preplanned program. However, we will be happy to assist you in coordinating additional visits to Danish farms in the days up to and after the European Angus Forum. Prior to the European Angus Forum 2010, we will send out a sales catalogue of livestock and embryos.

Please register by returning the enclosed registration form to the Angus Office no later than July 15th 2010. If you have questions regarding the events, please send an e-mail to the Angus Office at info@danskangus.dk or call the president at tel: +45 28 76 82 67.

On behalf of the Danish Aberdeen-Angus Association.
